Sponsor Opportunities

The Aquaducks are passionate water skiers that perform free ski shows for the community. The team also competes yearly at the State and National Show Ski Tournaments, holding numerous titles since their founding in 1976. The club operates on 100% of donations and fundraising. Running an average budget of \$80,000, the club purchases and maintains all of the equipment used to perform these shows: Equipment Truck, Tow Boats, Motors, Sound Equipment, Ropes, Skis, Costumes, etc. Listed below are some ways you could help the Aquaducks continue to provide fun, free, family entertainment to Burlington and the surrounding communities. We thank you for your consideration of donating to this 501(c)3 organization.
